

Students with disabilities in mainstream classrooms

A resource for teachers

Anthony Shaddock

Loretta Giorcelli

Sue Smith

Preparation of this booklet was funded by the Australian Government Department of Education, Employment and Workplace Relations. The research contract was awarded in 2003 to a University of Canberra-led Consortium – Project to Improve Learning Outcomes of Students with Disabilities in Mainstream Classes in the Early, Middle and Post Compulsory Years of Schooling. Members of the consortium were: University of Canberra (Professor Anthony Shaddock, Professor of Special Education and Project Manager); Disability Programs Directorate of the NSW Department of Education & Training (Mr Brian Smyth King, Director); and Giorcelli Education Consultancy Services Pty Ltd (Dr Loretta Giorcelli).
